Suspension of Play Due To Dangerous Situation:

If lightning is in the area ALL PLAY MUST CEASE IMMEDIATELY and ALL Players MUST seek shelter. Additionally, each individual has the right to determine the conditions are dangerous and suspend play as per USGA Rule 5.7a. One long air horn blast means play must cease immediately for dangerous conditions. Hitting a shot after one long air horn blast will result in disqualification. Three short air horn blast means play is being discontinued for a non dangerous situation and players have the option to finish the hole they are on. Play will resume when the tournament committee says it is all clear to resume.

All players must submit a W-9 with a US Social Security or Tax ID number on it or be subject to 30% withholding on all earnings. A 1099-MISC will be sent in January for the previous years earnings to players that earned over \$600.

I have read the above and understand its contents.
